VNR VIGNANA JYOTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY

(AUTONOMOUS)

III B.Tech. I Semester 2nd Sessional Examinations, November 2025

PROFESSIONAL ETHICS AND HUMAN VALUES

(Open Elective)

Time: 120 Minutes **Date of Examination: 21. Nov.2025** **Max. Marks: 30 Marks**

PART-A

I. Answer all the following, in NOT MORE THAN TWO lines: **5 × 2 Marks = 10 Marks**

1. Write any two SDGs and write in one line each as to why they are important in Indian context.	CO-1	BL-1
2. Give two examples of lessons in professional ethics learned from the Titanic disaster.	CO-2	BL-1
3. What is Social Engineering?	CO-1	BL-2
4. Give at least two examples of Occupational Crimes.	CO-2	BL-1
5. Differentiate between Capitalism and Communism in terms of Legality.	CO-3	BL-1

PART-B

II. Answer one question from each unit. **1 × 4 Marks = 04 Marks**

2 × 8 Marks = 16 Marks

UNIT-III

1. Differentiate between Accountability and Answerability. Use examples as necessary, preferably from professional/ organisational context.	CO-1	BL-4

(OR)

2. How can professional societies guide a STEM professional?	CO-1	BL-3

UNIT-IV

3. Recently, the main admin of iBOMMA, Ravi, was arrested for facilitating large-scale film piracy—a practice that involves distributing copyrighted movies illegally online. Investigations revealed not only clear intellectual property (IP) violation but also that the illicit money generated through such piracy. Analyse whether such actions are ethically justifiable according to digital ethics principles. In your answer, discuss the ethics of humans as data objects, the legal frameworks around intellectual property and content protection, and the responsibilities of technology platforms regarding content creation, integrity, and societal impact. Should the use of digital platforms for piracy be considered a violation of technology ethics (in addition to IP violation)? Justify your answer with reference to computer ethics, data management policies, the influence of such activities on the creative industry and its stakeholders, and the broader social harm caused when piracy profits support illegal/ unethical enterprises such as gambling and organised crime.	CO-2	BL-2

(OR)

4. What are environmental ethics? Why is it important for STEM professionals to learn environmental ethics? Give examples of cases where Engineering/Technology activity impacts the environment.	CO-2	BL-4

UNIT-V

5. Explain with suitable examples how this course has helped you maintain an ethical stature in certain situations, where you may have chosen unethical ways in the past. Think now about the past situations and describe what your motivation or temptation to be unethical was. How can you now not fall for the same temptation now? Defend your answer based on what you have learnt from this course. Does it make you an ethical leader in the future? Justify.	CO-3	BL-2

(OR)

6. Pick any ethical theory that you think must necessarily be a part of any workplace with professionals and other employees. Defend your choice explaining why it is important for the workplace to follow that theory.	CO-3	BL-4
